

## **The Container Initiative: Donation Form**

***Every year MCW aims to send a container of educational and athletic material to one of its community centers and partner institutions in Africa with the help of donors and volunteers. The donations allow the center to better serve the community, as well as help build relationships and partner institutions in Africa. Donated materials include books, information technology (IT) and sports equipment among other things. Past containers have been sent to Tanzania, Rwanda and Sierra Leone.***

***This year we will be sending a container to our centers in Tanzania. Before donating please read about our centers' current projects for a better idea of what to donate (<http://www.miraclecorners.org>). Please send this form to [info@miraclecorners.org](mailto:info@miraclecorners.org).***
