ABOUT MIRACLE CORNERS OF THE WORLD: MCW was founded in 1999 as a non-profit organization serving youth worldwide, primarily through programs of youth leadership training, community center development, and healthcare outreach. MCW empowers youth to become positive agents of change, to improve their lives and contribute to their own communities. To achieve its mission, MCW works closely with a global network of friends, volunteers, and supporters. For more information, please visit www.miraclecorners.org.

ABOUT MCW'S YOUTH LEADERSHIP RETREATS: For 8 years, MCW's youth leadership retreats have empowered youth to realize their abilities to make a difference in their own lives and communities by helping them develop the skills, confidence, and networks needed to be entrepreneurial agents of change. Participants prepare vision plans showcasing their own communities' challenges and steps they would take to create sustainable solutions. MCW's 10th Retreat will once again be held at Champlain College in Burlington, Vermont where more than 60 participants will engage in activities exploring group dynamics, conflict resolution, cross-cultural dialogue, and social entrepreneurship. Workshops will be led and facilitated by distinguished leaders from the business community, nonprofit world, academia, and government.

ABOUT OPEN DOORS: Each year, MCW's Retreat concludes with Open Doors—a special evening reception where retreat participants showcase their vision plans to MCW's friends, family, and supporters.
